

## Acknowledgements

Editor, Dengue Bulletin, WHO/SEARO, gratefully thanks the following for peer reviewing manuscripts submitted for publication.

### In-house Review:

**Nand L. Kalra:** Reviewed the manuscripts in respect of format check, content, conclusions drawn, including condensation of tabular and illustrative materials for clear, concise and focused presentation and bibliographic references. He was also involved in the final stages of printing of the Bulletin.

The Editor is also thankful to Ms Anchalee Chamchuklin (IMD/SEARO) and her staff for cross-checking the accuracy and arranging the references as per the Vancouver style.

The quality and scientific stature of the Dengue Bulletin is largely due to the conscientious efforts of the experts and also due to the positive response of contributors to comments and suggestions.
