

Contents of the CD Distributed at the workshop

Arsenic

- (1) WHO Food Additives Series 24: Arsenic
- (2) WHO: Environmental Health Criteria 224: "ARSENIC AND ARSENIC COMPOUNDS"
- (3) WHO Field Guide: Arsenic in drinking water

Cadmium

- (1) "Metals and Food Contamination: Cadmium in Paddy Fields in Thailand and Viet Nam", Simmons et al.
- (2) Review of the current contamination status of Potentially Toxic Elements (PTEs) in the Greater Mekong Sub-Region UNESCAP/IWMI/IAEA
- (3) WHO Food Additives Series 24: Cadmium
- (4) WHO: Environmental Health Criteria 135: "*CADMIUM - ENVIRONMENTAL ASPECTS*"

Lead

- (1) WHO: Environmental Health Criteria 85: Lead. environmental aspects
- (2) WHO Food Additives Series 21: Lead
- (3) WHO Food Additives Series 44: Lead
- (4) WHO: Global estimates of burden of disease caused by lead

Mercury

- (1) Abstract: Factors Underlying Mercury Pollution Problem from Gold-mining in Indonesia, Dr dr Rachmadhi Purwana SKM
- (2) Small-scale gold mining in Indonesia and the Philippines (PPP)
- (3) WHO Food Additives Series 24: Methylmercury
- (4) WHO: Environmental Health Criteria 135: Mercury - environmental aspects (EHC 86, 1989)_files

- (5) United Nations Environmental Programme (UNEP): Global mercury assessment report
- (6) UNEP: Decisions adopted by the 23rd session of the Governing Council
- (7) UNEP: Enhancing Collaborative Efforts: Global Approaches to Mercury
- (8) Press cutting: Cadmium Contamination Case - Rice-Growing Ban Planned

Food, water and chemicals

- (1) Principles for the safety assessment of food additives and contaminants in food
- (2) Guidelines for drinking-water quality, Third edition Volume 1 – Recommendations

General

- (1) International Labour Organization (ILO) International Chemical Safety Cards
- (2) International Organization for the Sound Management of Chemicals (IOMC) Chemicals assessment: Recent capacity-building activities
- (3) ILO R4 Lead Poisoning (Women and Children) Recommendations, 1919
- (4) ILO C170 Chemicals Convention, 1990
- (5) WHO Children's environmental health
- (6) Some useful UN related websites
