Development e-learning module of malaria diagnosis training in Bahasa Indonesia

Request for Proposals (RFP)
Bid Reference
RFP 010-2019
Unit Name
WHO Indonesia – Malaria Unit

Purpose of the RFP:
[to enter into a contractual agreement with a successful bidder and select a suitable contractor to develop e-learning module of malaria diagnosis training in Bahasa Indonesia]

Closing Date:
[28 January 2019 at 16:15 Jakarta time]
The World Health Organization (WHO) is seeking offers for Development e-learning module of malaria diagnosis training in Bahasa Indonesia. Your Company/Institution is invited to submit a proposal for the services in response to this Request for Proposals (RFP).

WHO is a public international organization, consisting of 194 Member States, and a Specialized Agency of the United Nations with the mandate to act as the directing and coordinating authority on international health work. As such, WHO is dependent on the budgetary and extra-budgetary contributions it receives for the implementation of its activities. Bidders are, therefore, requested to propose the best and most cost-effective solution to meet WHO requirements, while ensuring a high level of service.

1. Requirements

WHO requires the successful bidder, to carry out development e-learning module of malaria diagnosis training in Bahasa Indonesia.

See attached detailed Terms of Reference for complete information.

The successful bidder shall be a for profit/not for profit institution operating in the field of public health education, with proven expertise in developing e-learning training materials.

Bidders should follow the instructions set forth below in the submission of their proposal to WHO.

2. Proposal

The proposal and all correspondence and documents relating thereto shall be prepared and submitted in the English language.

The proposal should be concisely presented and structured to include the following information:

- Administrative documentation (2 to 4 pages): with names and addresses of institutions and/or consultants, leader/Principal Investigator (PI) with CV, the experience and background of the institutions/consultants on the relevant topics (please complete Annex 2)
- Proposed review organization (3 to 4 pages): include the objectives, methods, expected results and plan.
- Proposed time line the dates when the e-learning will be posted and ready for using
- Financial proposal maximum USD 45,000.00 in IDR Currency with components of professional fee, travels, meeting, field tests, recording videos, audios, and pictures.

Information which the bidder considers confidential, if any, should be clearly marked as such.

3. Instructions to Bidders

Bidders must follow the instructions set forth in this RFP in the submission of their proposal to WHO.

A prospective bidder requiring any clarification on technical, contractual or commercial matters may notify WHO via email at the following address no later than seven working days prior to the closing date for the submission of offers:

Email for submissions of all queries: seinobids@who.int

(use Bid reference in subject line )

A consolidated document of WHO’s responses to all questions (including an explanation of the query but without identifying the source of enquiry) will be sent to all prospective bidders who have received the RFP.
From the date of issue of this RFP to the final selection, contact with WHO officials concerning the RFP process shall not be permitted, other than through the submission of queries and/or through a possible presentation or meeting called for by WHO, in accordance with the terms of this RFP.

The bidder shall submit, in writing, the complete proposal to WHO, no later than **28 January 2019 at 16:15 hours Jakarta time** ("the closing date"), by email at the following email address:

seinobids@who.int.

*use Bid reference in subject line*

To be complete, a proposal shall include:

- A technical proposal, as described under part 2 above;
- A financial proposal, as described under part 2 above;
- Annex 2, duly completed and signed by a person or persons duly authorized to represent the bidder, to submit a proposal and to bind the bidder to the terms of this RFP.

Each proposal shall be marked Ref: RFP 010-2019.

WHO may, at its own discretion, extend the closing date for the submission of proposals by notifying all bidders thereof in writing before the above closing date and time.

Any proposal received by WHO after the closing date for submission of proposals may be rejected. Bidders are therefore advised to ensure that they have taken all steps to submit their proposals in advance of the above closing date and time.

The offer outlined in the proposal must be valid for a minimum period of 90 calendar days after the closing date. A proposal valid for a shorter period may be rejected by WHO. In exceptional circumstances, WHO may solicit the bidder’s consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. Any bidder granting such an extension will not, however, be permitted to otherwise modify its proposal.

The bidder may withdraw its proposal any time after the proposal’s submission and before the above-mentioned closing date, provided that written notice of the withdrawal is received by WHO at the email address indicated above, before the closing date for submission of proposals.

No proposal may be modified after its submission, unless WHO has issued an amendment to the RFP allowing such modifications.

No proposal may be withdrawn in the interval between the closing date and the expiration of the period of proposal validity specified by the bidder in the proposal (subject always to the minimum period of validity referred to above).

WHO may, at any time before the closing date, for any reason, whether on its own initiative or in response to a clarification requested by a (prospective) bidder, modify the RFP by written amendment. Amendments could, *inter alia*, include modification of the project scope or requirements, the project timeline expectations and/or extension of the closing date for submission.

All prospective bidders that have received the RFP will be notified in writing of all amendments to the RFP and will, where applicable, be invited to amend their proposal accordingly.
All bidders must adhere to the UN Supplier Code of Conduct, which is available on the WHO procurement website at http://www.who.int/about/finances-accountability/procurement/en/.

4. Evaluation

Before conducting the technical and financial evaluation of the proposals received, WHO will perform a preliminary examination of these proposals to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the proposals are generally in order. Proposals which are not in order as aforesaid may be rejected.

The evaluation panel will evaluate the technical merits of all the proposals which have passed the preliminary examination of proposals based on the following weighting:

<table>
<thead>
<tr>
<th>Weighting</th>
<th>Percentage of Total Evaluation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Technical Weighting:</td>
<td>70%</td>
</tr>
<tr>
<td>Financial Weighting:</td>
<td>30%</td>
</tr>
</tbody>
</table>

Please note that WHO is not bound to select any bidder and may reject all proposals. Furthermore, since a contract would be awarded in respect of the proposal which is considered most responsive to the needs of the project concerned, due consideration being given to WHO’s general principles, including the principle of best value for money, WHO does not bind itself in any way to select the bidder offering the lowest price.

WHO may, at its discretion, ask any bidder for clarification of any part of its proposal. The request for clarification and the response shall be in writing. No change in price or substance of the proposal shall be sought, offered or permitted during this exchange.

NOTE: Individual contact between WHO and bidders is expressly prohibited both before and after the closing date for submission of proposals.

5. Award

WHO reserves the right to:

a) Award the contract to a bidder of its choice, even if its bid is not the lowest;
b) Award separate contracts for parts of the work, components or items, to one or more bidders of its choice, even if their bids are not the lowest;
c) Accept or reject any proposal, and to annul the solicitation process and reject all proposals at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders and without any obligation to inform the affected bidder or bidders of the grounds for WHO’s action;
d) Award the contract on the basis of the Organization’s particular objectives to a bidder whose proposal is considered to be the most responsive to the needs of the Organization and the activity concerned;
e) Not award any contract at all.

WHO has the right to eliminate bids for technical or other reasons throughout the evaluation/selection process. WHO shall not in any way be obliged to reveal, or discuss with any bidder, how a proposal was assessed, or to provide any other information relating to the evaluation/selection process or to state the reasons for elimination to any bidder.
NOTE: WHO is acting in good faith by issuing this RFP. However, this document does not oblige WHO to contract for the performance of any work, nor for the supply of any products or services.

At any time during the evaluation/selection process, WHO reserves the right to modify the scope of the work, services and/or goods called for under this RFP. WHO shall notify the change to only those bidders who have not been officially eliminated due to technical reasons at that point in time.

WHO reserves the right at the time of award of contract to extend, reduce or otherwise revise the scope of the work, services and/or goods called for under this RFP without any change in the base price or other terms and conditions offered by the selected bidder.

WHO also reserves the right to enter into negotiations with one or more bidders of its choice, including but not limited to negotiation of the terms of the proposal(s), the price quoted in such proposal(s) and/or the deletion of certain parts of the work, components or items called for under this RFP.

Within 30 days of receipt of the contract between WHO and the successful bidder (the “Contract”), the successful bidder shall sign and date the Contract and return it to WHO according to the instructions provided at that time. If the bidder does not accept the Contract terms without changes, then WHO has the right not to proceed with the selected bidder and instead contract with another bidder of its choice. The Contract will include, without limitation, the provisions set forth in Annex 3.

Any and all of the contractor’s (general and/or special) conditions of contract are hereby explicitly excluded from the Contract, i.e., regardless of whether such conditions are included in the Contractor’s offer, or printed or referred to on the Contractor’s letterhead, invoices and/or other material, documentation or communications.

We look forward to receiving your response to this RFP.

Yours sincerely,

Dr. Tin Tin Sint

1. Detailed Terms of Reference
2. Vendor Information Form
3. Contractual provisions
Annex 1: Detailed Terms of Reference

1. Purpose
The purpose of this position is to provide technical support to the National Malaria Control Programme, the Indonesian Ministry of Health, to develop e-learning module on malaria diagnosis training in Bahasa Indonesia.

2. Background
The Government of Indonesia is committed to eliminate malaria by 2030 across the country. One key intervention to reduce malaria mortality and morbidity is accurate early malaria diagnosis, and then followed by prompt effective treatment. This intervention is in line with WHO recommendation and strategy to test, treat and track every malaria cases. Early diagnosis with laboratory confirmation using light microscopy examination is still the gold standard diagnostic method in malaria program, although the accuracy of reading depends on the competency of the microscopist.

In area toward elimination where malaria incidence become low and density of parasite in the blood is also low. It required high quality skills of microscopist to identify parasite and quantifying parasite density to measure the successful rate of malaria therapy. To maintain the skills of microscopists or laboratory technician to make good quality of blood smear and read accurately, NMCP has cascade training system. For basic competency level, the training will be conducted more than 14 days. However, after the training, when the microscopists are rarely read the malaria blood smear, then they will forget the knowledge receiving in the training. On the other hand, the budget allocation for training become lesser.

The aims of this activity are to develop e-learning module for malaria diagnosis training in Bahasa Indonesia. The e-learning module can be posted on-line at our website or all microscopists can downloaded for self-learning. The e-learning will produce a certificate that will be as a first step for selection participant to attend in-class training.

3. Objective, scope of works
Objective: To develop e-learning module for malaria diagnosis training in Bahasa Indonesia.

Scope of Works and Responsibilities:
In close collaboration with Sub-Directorate of malaria, National Institute of Health Human Resources Development and Empowerment, PATELKI, Clinical Parasitology and other partners as well as under the overall supervision of the WHO Representative to Indonesia and day-to-day supervision/guidance of/by Technical Officer of MAL Program, the contractor will provide support to Malaria Program by performing the following specific duties:
1. To review existing training module of malaria diagnosis curriculum and modules.
2. To discuss and consult with all partners in developing the e-learning modules.
3. To develop interactive e-learning module with audios, videos, pictures, quiz, assessments, and consultations with the lectures.
4. To develop e-learning that can be posted in the NMCP web-site and offline self-learning.
5. To produce e-certificate that can be printed and sent directly to NMCP focal point of diagnosis.
6. To conduct field test of e-learning at Lembata District (NTT) and Banjarnegara District (Central Java Province).
7. To produce 100 DVD copies of e-learning modules.
8. Guarantee for editing or repairmen for duration 6 months after submission the final product.
9. Perform any other duties as assigned by WR and Technical Officer (TO) MAL and VBDC.

4. Duration of assignment:
1 March 2019 – 30 September 2019 (6 months)

5. Expected Result and Reporting
Expected Outcome: High quality e-learning module on malaria diagnosis in Bahasa Indonesia posted in NMCP website and copy to DVD.

Expected Output:
A. Progress Report
1. Preliminary result of discussion and consultation meeting on e-learning module.
2. Picture of activities with consents (written or video consents).

B. Final Report
1. Final draft report approved by NVBZCP and WHO peer review team.
2. Final e-learning modules posted at NMCP website and 100 DVD copies modules.
3. Picture of activities with consents (written or video consents).

6. Profile of the Ideal Candidate
1. The institution/organization must be legal entity registered in Indonesia.
2. The institution/organization must be a local institution or national institution which has strong capacity in public health, education, and parasitology.
3. The team member of institution/organization should be composed of at least one senior public health/parasitology/educational material expert. Proven by advance degree in related field and their CVs and publications.
4. The team member has experience in undertaking in developing training materials and e-learning modules.

Education Qualification for Principal Investigator/Team leader:
Essential: A degree in public health or parasitology related subject from a recognized institution
Desirable: Advanced degree in public health or parasitology related subject from a recognized institution.

Experiences:
Essential: At least five years’ experience in developing training materials or e-learning modules.
Desirable: Experience in developing training materials or e-learning modules in Bahasa Indonesia. Have knowledge of malaria parasitology and diagnosis issues; ability to work independently, as a team member, and across teams; ability to handle a large volume of work, multi-task, and meet multiple deadlines.

* [http://www.who.int/about/finances-accountability/procurement/en/](http://www.who.int/about/finances-accountability/procurement/en/)

Within 30 days of receipt of the contract between WHO and the successful bidder (the “Contract”), the successful bidder shall sign and date the Contract and return it to WHO according to the instructions provided at that time. If the bidder does not accept the Contract terms without changes, then WHO has the right not to proceed with the selected bidder and instead contract with another bidder of its choice. The Contract will include, without limitation, the provisions set forth below (with the successful bidder referred to below as the “Contractor”):

1. **Compliance with WHO Codes and Policies.** By entering into the Contract, the Contractor acknowledges that it has read, and hereby accepts and agrees to comply with, the WHO Policies (as defined below).

   In connection with the foregoing, the Contractor shall take appropriate measures to prevent and respond to any violations of the standards of conduct, as described in the WHO Policies, by its employees and any other persons engaged by the Contractor to perform any services under the Contract.

   Without limiting the foregoing, the Contractor shall promptly report to WHO, in accordance with the terms of the applicable WHO Policies, any actual or suspected violations of any WHO Policies of which the Contractor becomes aware.

   For purposes of the Contract, the term “WHO Policies” means collectively: (i) the WHO Code of Ethics and Professional Conduct; (ii) the WHO Policy on Sexual Exploitation and Abuse Prevention and Response; (iii) the WHO Code of Conduct for responsible Research; (iv) the WHO Policy on Whistleblowing and Protection Against Retaliation; and (v) the UN Supplier Code of Conduct, in each case, as amended from time to time and which are publicly available on the WHO website at the following links: http://www.who.int/about/finances-accountability/procurement/en/ for the UN Supplier Code of Conduct and at http://www.who.int/about/ethics/en/ for the other WHO Policies.

2. **Zero tolerance for sexual exploitation and abuse.** WHO has zero tolerance towards sexual exploitation and abuse. In this regard, and without limiting any other provisions contained herein:

   (i) each legal entity Contractor warrants that it will: (i) take all reasonable and appropriate measures to prevent sexual exploitation or abuse as described in the WHO Policy on Sexual Exploitation and Abuse Prevention and Response by any of its employees and any other persons engaged by it to perform any services under the Contract; and (ii) promptly report to WHO and respond to, in accordance with the terms of the Policy, any actual or suspected violations of the Policy of which the contractor becomes aware; and

   (ii) each individual Contractor warrants that he/she will (i) not engage in any conduct that would constitute sexual exploitation or abuse as described in the WHO Policy on Sexual Exploitation and Abuse Prevention and Response; and (ii) promptly report to WHO, in accordance with the terms of the Policy, any actual or suspected violations of the Policy of which the Contractor becomes aware.

3. **Tobacco/Arms Related Disclosure Statement.** The Contractor may be required to disclose relationships it may have with the tobacco and/or arms industry through completion of the WHO Tobacco/Arms Disclosure Statement. In the event WHO requires completion of this Statement, the Contractor undertakes not to permit work on the Contract to commence, until WHO has assessed the disclosed information and confirmed to the Contractor in writing that the work can commence.
4. **Anti-Terrorism and UN Sanctions; Fraud and Corruption.** The Contractor warrants for the entire duration of the Contract that:

i. it is not and will not be involved in, or associated with, any person or entity associated with terrorism, as designated by any UN Security Council sanctions regime, that it will not make any payment or provide any other support to any such person or entity and that it will not enter into any employment or subcontracting relationship with any such person or entity;

ii. it shall not engage in any illegal, corrupt, fraudulent, collusive or coercive practices (including bribery, theft and other misuse of funds) in connection with the execution of the Contract; and

iii. the Contractor shall take all necessary precautions to prevent the financing of terrorism and/or any illegal corrupt, fraudulent, collusive or coercive practices (including bribery, theft and other misuse of funds) in connection with the execution of the Contract.

Any payments used by the Contractor for the promotion of any terrorist activity or any illegal, corrupt, fraudulent, collusive or coercive practice shall be repaid to WHO without delay.

5. **Breach of essential terms.** The Contractor acknowledges and agrees that each of the provisions of paragraphs 1, 2, 3 and 4 above constitutes an essential term of the Contract, and that in case of breach of any of these provisions, WHO may, in its sole discretion, decide to:

i. terminate the Contract, and/or any other contract concluded by WHO with the Contractor, immediately upon written notice to the Contractor, without any liability for termination charges or any other liability of any kind; and/or

ii. exclude the Contractor from participating in any ongoing or future tenders and/or entering into any future contractual or collaborative relationships with WHO.

WHO shall be entitled to report any violation of such provisions to WHO’s governing bodies, other UN agencies, and/or donors.

6. **Use of WHO Name and Emblem.** Without WHO’s prior written approval, the Contractor shall not, in any statement or material of an advertising or promotional nature, refer to the Contract or the Contractor’s relationship with WHO, or otherwise use the name (or any abbreviation thereof) and/or emblem of the World Health Organization.

7. **Assurances regarding procurement.** If the option for payment of a maximum amount applies, to the extent the Contractor is required to purchase any goods and/or services in connection with its performance of the Contract, the Contractor shall ensure that such goods and/or services shall be procured in accordance with the principle of best value for money. "Best value for money" means the responsive offer that is the best combination of technical specifications, quality and price.

8. **Audit.** WHO may request a financial and operational review or audit of the work performed under the Contract, to be conducted by WHO and/or parties authorized by WHO, and the Contractor undertakes to facilitate such review or audit. This review or audit may be carried out at any time during the implementation of the work performed under the Contract, or within five years of completion of the work. In order to facilitate such financial and operational review or audit, the Contractor shall keep accurate and systematic accounts and records in respect of the work performed under the Contract.
The Contractor shall make available, without restriction, to WHO and/or parties authorized by WHO:

i. the Contractor’s books, records and systems (including all relevant financial and operational information) relating to the Contract; and

ii. reasonable access to the Contractor’s premises and personnel.

The Contractor shall provide satisfactory explanations to all queries arising in connection with the aforementioned audit and access rights.

WHO may request the Contractor to provide complementary information about the work performed under the Contract that is reasonably available, including the findings and results of an audit (internal or external) conducted by the Contractor and related to the work performed under the Contract.

9. **Publication of Contract.** Subject to considerations of confidentiality, WHO may acknowledge the existence of the Contract to the public and publish and/or otherwise publicly disclose the Contractor’s name and country of incorporation, general information with respect to the work described herein and the Contract value. Such disclosure will be made in accordance with WHO’s Information Disclosure Policy and shall be consistent with the terms of the Contract.
