GLOBAL SUBSCRIPTION

The Global Subscription is ideal for those seeking a comprehensive record of key publications in 2018. It includes four journals, the WHO Technical Report Series and a selection of the key non-serial books. In 2017, global subscribers saved more than 20% on the price of individual titles.

Selection of books sent in 2017:

Weeky Epidemiological Record
For more than seven decades, the Weekly Epidemiological Record has served as an essential instrument for the collation and dissemination of epidemiological data useful in disease surveillance on a global level. Priority is given to diseases or risk factors known to threaten international health.
ISSN 0049-8114; weekly; 2018: Vol. 93

BULLETIN OF THE WORLD HEALTH ORGANIZATION
The Bulletin of the World Health Organization is an international journal of public health with a special focus on developing countries. Since it was first published in 1948, the journal has become one of the world’s leading public health journals. As the flagship periodical of the World Health Organization (WHO), the Bulletin draws on WHO experts as editorial advisers, reviewers and authors as well as on external collaborators.
ISSN 0042-9686; monthly (approx. 76 pages per issue); 2018: Vol. 96;

EASTERN MEDITERRANEAN HEALTH JOURNAL
The EMHJ was launched in 1995 as a peer-reviewed medical journal. Starting January 2010, the Journal has been given a new format and is now published monthly. The EMHJ serves as a forum for the dissemination of biomedical information through the publication of scientific research papers on a range of topics related to public health, with particular relevance to the Eastern Mediterranean Region.
ISSN1020-3397; Monthly (120 pages per issue); 2018, Vol. 24

PERIODICALS AND SELECTED SERIES
